OPENING ACCESS BACKGROUND INFORMATION

Aligned with UNC's Academic Plan, which prioritizes **"equity and inclusion"** and **"global engagement,"** the Center for Global Initiatives is spearheading a major pan-university effort to significantly increase the number of traditionally underserved students who have access to global opportunities.

This effort opens access to students regardless of their academic discipline, age, disabilities, educational or family background, gender identity, racial or ethnic identity, sexual orientation or socio-economic status.

We are collecting data to support programing of new initiatives to open access and we need your help! Please answer the following questions. Your answers to this section **will not** be seen by the review committee and **will not** be used to evaluate your application. Your responses will be analyzed in aggregate form by program staff to develop global opportunities for all Carolina students.
