FINANCIAL NEED DETERMINATION

Financial need is a factor considered in the selection process. You must demonstrate financial need in one of the following three ways. Please select the most appropriate options and provide supporting documentation (if applicable).

- I have applied for financial aid and qualify for need-based financial aid at UNC.
  If you select this option, you are allowing us to verify your financial aid status and access your Expected Financial Contribution (EFC) from your FAFSA (Free Application for Federal Student Aid) with the UNC financial aid office.
- I am an international student with financial need.
  Complete and upload the International Student Financial Aid Need Worksheet.
- I do not qualify for need-based aid, nor am I an international student.
  Write and upload a brief (no more than one page) statement about your financial need and why this funding is required in order for you to complete a global opportunity.

Please complete the questions below. These questions are an attempt to get to know you, your interests and your previous experience as they pertain to involvement in a summer program. Please be concise; try to limit your answers to a few sentences. Do not be discouraged if you do not have experience in some of these areas, we are looking for a diverse group.

We recommend you write your answers on a separate document, then copy and paste them into the boxes. If you have questions at any time during the application process, please feel free to contact the program manager at: brandy_arellano@unc.edu.

**Diversity of Background & Perspective**

Feasibility, Planning & Commitment

Participation in this project will require an investment of time apart from that which is required for school—especially this year, but with the hope and potential for longitudinal involvement as well. How do you feel about your ability to balance these activities in the face of competing demands on your time?

List your previous Spanish-speaking experiences (if any) and briefly describe the level of communication with which you are currently comfortable. If you feel you are not proficient, how do you plan to improve your skills prior to the trip?
